Dear Mr. Russo:

This letter is in final response to your Freedom of Information Act (FOIA) request received at Naval Surface Warfare Center, (NSWC) Crane Division on December 23, 2016. Your request indicated that you are seeking, "the following related to Contract No. N00164-17-D-JT09. All related documents, including any modifications, Task Orders, Delivery orders, technical task orders or similar documentation. Any document relating to sole source justification, any Statement of Work (SOW), Any Technical documents- including specification and or." Your request was assigned local Case File Number 2017-F-010.

As it was received, the FOIA request stated that you agreed to pay FOIA processing fees of up to \$100.00. You were assigned into the "Commercial" fee category. As per the FOIA Improvement Act of 2016, due to the response time to your request exceeding the statutorily regulated time there is no charge for your request.

Six responsive documents were located and were redacted consistent with two applicable FOIA exemptions at 5 U.S.C. § 552(b) Exemption 4 and Exemption 6. Exemption (b)(4) protects commercial or financial information received from a private source when disclosure is likely to cause substantial competitive harm to the source. Exemption (b)(6) exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.
